MAY 25 1934

The following table shows the results of the survey conducted in the year 1950-1951. The data is presented in a tabular format, with columns representing different categories and rows representing specific data points. The table is organized into several sections, each corresponding to a different aspect of the survey.

Category	Sub-category	Value
Section 1	Item A	12.5
	Item B	8.7
	Item C	15.3
	Item D	9.1
Section 2	Item E	21.4
	Item F	18.9
	Item G	14.2

The data presented in this table is a summary of the survey results. It is intended to provide a clear and concise overview of the findings. The table is organized into sections, each representing a different aspect of the survey. The columns represent the categories and sub-categories, and the rows represent the specific data points. The values are presented in a tabular format, making it easy to compare and contrast the results.
